- (1) LDDI sponsorships run from July 1 through June 30 and are not prorated over a portion of a year. Firms joining as sponsors from July through December will pay the full year's sponsorship amount. Firms joining from January through June will pay ½ of the full year's sponsorship. For questions, please contact Kevin Young (keyoung@vt.edu) or Claire White (cmwhite@vt.edu). NOTE: Sponsorships may be paid on a quarterly basis if desired.
- (2) LDDI will cover Career Fair booth fees for Dymond-level sponsors; however, it is the individual company's responsibility to register for the Career Fair. LDDI cannot guarantee exhibition space, and companies are encouraged to work closely with the Via Department of Civil & Environmental Engineering to register and secure exhibition space for the Career Fairs that they wish to attend.
- (3) Sponsoring firms will be made aware of opportunities for class presentations and opportunities to host or sponsor after-hours presentations and field trips as they are available. **These opportunities are limited during the year** and will be prioritized by sponsorship level when possible.
- (4) Throughout the academic year, LDDI Dymond or Platinum sponsors will have the opportunity to set up a booth in the lobby of Patton Hall to engage with students throughout the day. Availability will be prioritized by sponsorship level.
